

Prevent DPF Clogging

Reduce Active Regenerations By 50%

Prevent Frequent Injector Replacements

Prevent EGR System Coking

Prevent VGT Turbo Coking

**HOW DO WE
DO THIS?**

**CHEMICALLY Remove Water
AND
BURN CLEAN Technology.**

Today's Engines are High-Tech

BUT, Today's Fuel is *BAD*

**BOOST YOUR FUEL QUALITY TO ALLOW YOUR ENGINES TO-
PERFORM AS WELL AS THEY WERE DESIGNED.**

An Ounce Of Prevention

THAW-IT

- Re-Liquifies Gelled Fuel Within 30 Minutes
- Chemically Removes Water
- Fully Formulated, Blend of Organic and Petroleum Solvents
- Dissolves Wax and Ice Crystals
- No Harmful Alcohols
- No Chlorinated Solvents or Methanol

COMPLETE FUEL TREATMENT

- Reduces Active Regens by >50%
- Reduces EGR System Clogging
- Lowers Gelling of Fuel (up to -40 F)
- Chemically Removes Water
- Boosts Cetane 4-6 Points
- Excellent Lubricator & Injector Cleaner

GAS RX

- Prevents and Reverses Phase Separation in ALL Gasoline
- Chemically Removes Water
- Removes Gums, Varnishes, & Carbon Deposits
- Increases Power & Performance
